

## Georgetown Office Update

In April 2026, Catholic Charities officially merged the Georgetown Office location with the Pee Dee Office in Conway. Although we have officially closed our thrift store in Georgetown, we are continuing to offer all of the same services and programs by sharing spaces with community partners! This merger was made to better serve our community and use our resources to best meet the needs of our neighbors.

- Our Grant Specialist, Crystal Geathers, now works from an office space at St. Mary's Catholic Church in Georgetown.
- The Friendship Place has partnered with us so we can continue to offer our Getting Ahead Program, our CSFP Senior Box Program, and Fresh Produce Distributions locally in the Georgetown area. Luckily, this place is right up the street from our office location in Georgetown, so it's easy to locate for our clients.
- Save a Smile program is still offered for the Georgetown area and coordinated from the Conway Office.
- Our Pee Dee Site Administrator, Audra Naramore, has partnered with a few local libraries including The Waccamaw Neck Library in Pawleys Island, The Bucksport Branch Library, Chapin Library in Myrtle Beach, & Georgetown Library ensuring a private space one/two times a week. When a client needs to complete intake forms, she is able to schedule a meeting with them closest to their location, so they do not have to travel to Conway.
- Neighbor to Neighbor also serves Georgetown and Williamsburg counties by providing transportation, food support, and companionship to older adults.
